TJAC will be holding our first ever **INTERGENERATIONAL FAMILY DAY OF REFRESHING** on Saturday 26 August 2017 on the theme: **God's Word is Our Delight**.

It would be a wonderful time for parents, youth and children, together with grandparents and grandchildren, to come for a time of spiritual refreshing at TJAC from 9.00am – 3.00pm.

Pastor David and Sister Cynthia Leong, who are very experienced and creative children and families ministries educators from Singapore, will be teaching us on why and how we could delight in God's Word as families. The whole exciting programme will be action-packed and uplifting with fun-filled learning activities, dynamic and passionate worship for all ages.

Parents and Sunday School Teachers will also benefit from attending a life-transforming workshop on Friday 25 August evening, from 7.30pm-9.30pm on the exciting theme: **Raising Children Without Raising Your Blood Pressure**.
